REPLIT PROOF OF USE

SME Smart | Team CTRL + Future | SDC Hackathon

1. AI credits being used (Replit Agent)

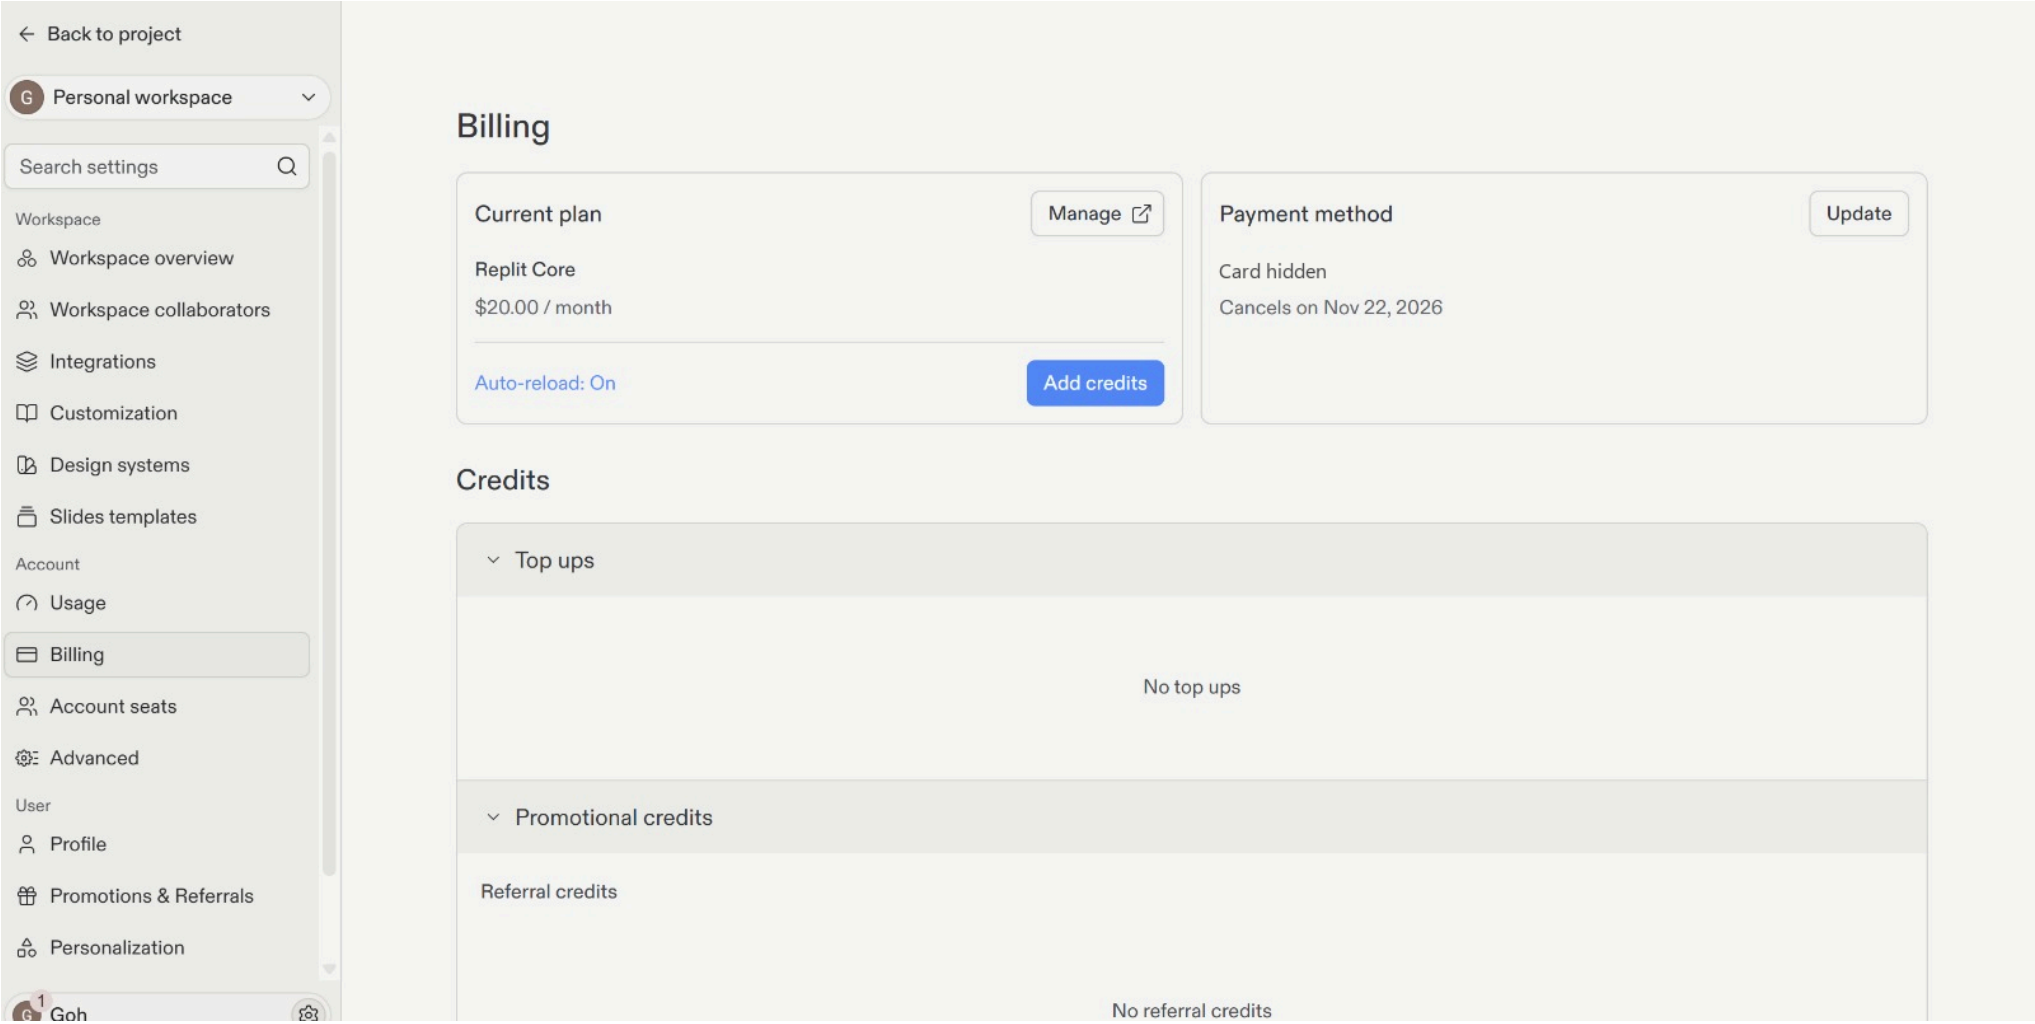

Usage for our Replit workspace, Oct 22 - Nov 21, 2026: Replit Agent usage $1.11 and total spend $1.48 this period. We used Replit Agent to build, fix and publish SME Smart (see the "Replit Agent" commits in our GitHub repository).

REPLIT PROOF OF USE

2. Replit plan and billing

Billing page of the account that hosts our deployment: Replit Core plan ($20.00 / month).
SME Smart is deployed on Replit at https://sme-smart.replit.app (card number hidden).
